Water Doctors INTERNATIONAL INC.™

"I want to commend Water Doctors for the professional manner they are able to handle the issues we have with water leak issues I made the decision to sublet these repairs to Water Doctors and it was a great decision. I don't tie up technicians with water leaks costing us many dollars."

Thanks again!
Russ

Why Water Doctors International, Inc.?

At **Water Doctors International, Inc.,** we are looking for motivated, self-driven people who want a chance to own their own business, control their own schedule, and change their lives.

As a Sub-Contractor for **Water Doctors International, Inc.** we will help you do just that.

...Specifically trained individuals... for air & water leaks gets GM approval!...

Our goal at Water Doctors International, Inc. is to change the lives of as many people as we can. One Sub-Contractor at a time.

Recently had an experience with Mike out of the PA, WV, OH area. I cannot tell you enough how thrilled I am that he was able to help with my water issue. Mike went above and beyond with excellent customer service, even going out of his way personally to help me with the issue. I will highly recommend him to any friend or family with auto water/air problems. 11 out of 10 stars! You go Mike! Give this man a raise!

Thanks you!
Marissa
